

Did You Know.....

Polluted runoff is one of the Nation's greatest threats to clean water.

Contact us if..... you have concerns about construction site activities in regards to polluted runoff or sediment and erosion control.

Contact us if..... you have concerns about oil or septic discharges

Contact Diane Fiorentino at 739-2009 between 8:30 am and 4:00 pm Monday through Friday or email at ChemungStormwater@stny.rr.com.

Or contact your local municipal stormwater officer.

Did you know..... that disturbing even one acre of soil can cause stormwater pollution which can effect our lakes, rivers, and wetlands? Prevent stormwater pollution at the source. If you are disturbing more than an acre of soil, talk to your local stormwater officer.
